

Be Part of the History and Create the Future

The Wonga Park Cricket Club in the 2010/2011 season celebrates 100 years. We are looking to appoint a coach, playing or non playing, to lead the club in this historic year, and to be integral in creating cricket excellence into our next 100 years.

The Wonga Park Cricket Club is one of the largest clubs in the Ringwood & District Cricket Association playing in the idyllic surroundings of Wonga Park.

During the current season the club has fielded 7 senior teams, 4 veteran teams and 13 junior teams. It is anticipated that there will be similar number of sides next year. In addition the club has for many years run an In2Cricket program.

The Club operates on the philosophy of "One Club" and incorporates all levels of cricket within the Club under one administration

The Club has a strong administrative and financial framework to ensure that off field we are a success.

Due to the retirement of the current coaches, the Club is seeking applications to lead the Club in the Centenary Year, and beyond, and to continue the development of a very strong junior program into the senior playing list. Nine players in our 16/1 side played junior representative cricket this season. These players have all gained experience in the top three grades this current year.

The responsibilities will include:

- Creation of the framework to develop a first XI squad capable of playing finals in the 2010/2011 season.
- Devise and conduct all senior pre-season and season training sessions in conjunction with the coaching panel of the club.
- Training and coaching plans to aid the improvement of all cricketers within the club with an emphasis on strengthening the top three grades and ensuring a smooth transition from the junior to senior playing list.
- Liaising with junior coaches to ensure a consistent approach to coaching and playing is adhered to within the club.
- Leading by example to ensure a "High Performance" culture is developed.

The emergence of numerous juniors, together with the current senior playing list, makes the Wonga Park Cricket Club an attractive option for an experienced coach or a successful player looking for their first coaching opportunity.

A full position description and expectations will be provided to successful candidates prior to the interview process.

The remuneration for the position is negotiable.

In the first instance please send all written applications to
