Information within this document has been extracted from records retained, from references in Newspapers, copied from archives held by the State Library of Victoria, Knox Historical Society or held in the archives of Steve Flemming – FTGDCA Match & Registration Secretary and FTGDCA Historian.

Statistics have been taken from all score books that are either in the possession of the cricket club or other clubs have provided the score sheets. Each score book has been entered into a cricket statistics program called Topscore. All data from Topscore has then been extracted to obtain the statistics attached.

In the case of games played the statistics have been used as well as knowledge gained from other sources to estimate the total games played. Where a player has played for several years and we don't have a scorebook for a particular year we have estimated the games played in that missing year. We have not estimated any other statistics for that year for the purpose of this document.

All current books based on teams and years have been summarised at the end of this document.

Wonga Park Cricket Club

- The origins of the Wonga Park Cricket Club can be traced to September 1910 when a group of locals got together to form a team as reported in 'The Reporter' Friday September 16th, 1910. The report was included under the column heading – WONGA PARK and reads ... 'A cricket club is being formed here, and the members, with the assistance of three well known cricketers, should give a good account of themselves in the coming season. Advance, Wonga Park.'
- The inaugural 1910/11 season was played in 'Section 'B'' of the 'Reporter District Cricket Association' now known as the Box Hill Reporter Cricket Association
- The initial playing field location, likely to have been a flattened paddock is not known, but by the 1912/13 season a playing field behind the Mechanics Institute Hall had been established
- Fields Senior, Veteran (Over 40s and Over 50s), Junior and 'Woolworths Blast' Cricket teams ranging from 8 to 17 years of age
- Affiliated with the Ringwood & District Cricket Association (RDCA)

Founded in September 1910 the Wonga Park Cricket Club (WPCC) commenced playing matches in the Reporter District Cricket Association and has prospered since, with the exception of cessations during World War I (1915/16 – 1920/21), the Depression era (1927/28) and World War II (1943/44). It is not known where the initial playing field was located however by the start of 1912/13 the Wonga Park reserve had been established and the club has remained ever since, albeit with an additional improved ground and a newer facility established.

Many long-time district names and generations of families have donned the whites for the Wonga Park Cricket Club. These include the Burch, Hartley, Kear, Knee and Read - most of who have been in the district for 70 or more years. Since the 1910/11, over 1,300 players have participated on the field and just 40 members have been awarded Life Membership.

John Knee Club Champion

The Knees have made a massive contribution to our great club and John played a major part. John arrived at Wonga Park in 1943 as a 13 year old boy and has rarely been away from the club since. John played in our premierships in 1950-51 and 1956-57, and went on to play in our first Chandler Shield premiership team in 1974-75. He continued to play until retiring in 1984. John was one of our greatest batsmen and a very good bowler. He played over 300 games for the Club and, with his son Jack, became the first two Wonga players to achieve this amazing milestone.

During his time John:

- Scored over 5,000 runs and won the batting average on six occasions
- Took over 300 wickets and won the bowling average on two occasions

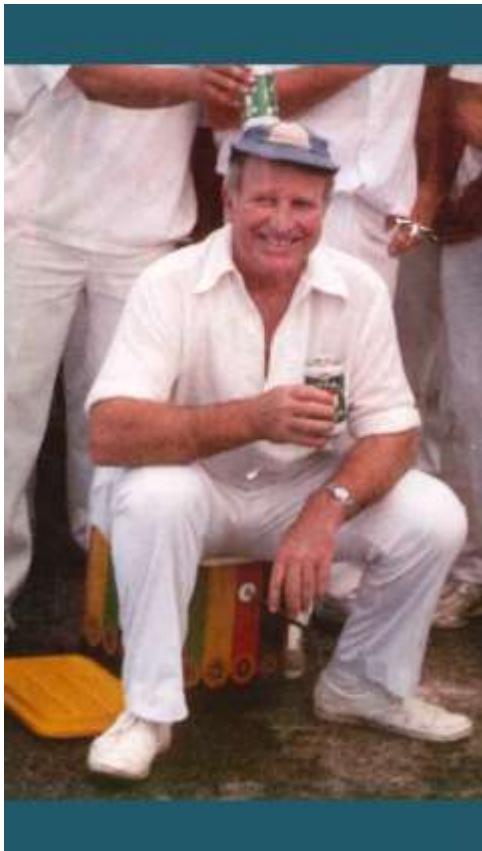

In recognition of his contribution to cricket at Wonga, the "John Knee Club Champion Award" was established in 1970-71 which is now awarded to our best performed 1st XI cricketer each year. During our Centenary Ball in February 2011, John was announced one of the 10 inaugural inductees into the "WPCC Hall of Fame" (awarded to our best performed First 11 cricketers).

John's exceptional on field efforts were matched by his massive contribution to the Club off field. Just one example is that he would often mow the ground during practice on Thursday evenings during the 60s. John's off field contribution was acknowledged in 1974 when he was awarded Life Membership of WPCC, our ultimate award.

Since retiring from the game John would be the dedicated dad watching Jack and Rod every Saturday, and even in the last couple of years with his health failing, John would still go and watch his boys playing on Goldy's Vets team.

Player of the Year – Les Knee Memorial

Les, the son of Fred and Hilda Knee and cherished Life Members at WPCC, was born and bred in Wonga Park. He was, is, and always will be, part of the fabric of Wonga Park Cricket Club. Les had many nicknames including "Lat" and "Bucket" but to most he was simply known as "Legend".

Les started playing cricket at WPCC as a ten year old in the U16's and went on to become a very, very good cricketer, probably far better than he realized, as evidenced in his achievements at Wonga. He was a brilliant slow bowler with a multitude of variations. Les would delight in telling a batsman where and what the next ball was going to be, and would then still manage to produce a false shot. He was also a hard hitting batsman, using only a bat that he could lift. He was a key member of our 'back to back' Chandler Shield premiership teams in 1974/75 and 1975/76 winning the bowling average during these seasons. Underneath the laughter and constant grin was a very smart and sometimes fierce competitor. Cricket to Les, however, was always a game.

He finished his playing days at Wonga in the lower grades providing all those that played with him many laughs and memorable moments.

Off the field he was a tireless worker for the Club and received a Life Membership of WPCC in appreciation of these efforts.

Les knew everyone and everyone knew Les. He was easy going and was extremely reliable which made him immensely popular. Nothing could faze him, nothing could get him flustered and absolutely nothing could get him to move faster than he wanted to go. That was Les, slow and steady. Les was as strong as an ox and his handshake would bring you to your knees. He loved a beer, a bet, a dance and a sing along. He was famous for his, not so note perfect, renditions of "Me and Bobby McGhee" and most other Charlie Pride songs.

After a long battle with illness Les passed away in 1989 aged 51. Les Knee loved life and lived it to its rules, for that alone he truly was a LEGEND. Everyone who knew Les will have their own recollections of time spent with him and all will recall them with laughter.

In recognition of his great cricketing talent we have named our "Player of the Year" award in his honour.

Some of Les's personal cricketing achievements at WPCC:

Coach's Award – Craig McKissack Memorial Shield

Craig joined Wonga Park Cricket Club in 1994 as Captain Coach after a highly successful career with VCA district club Fitzroy-Duncaster where he was a key member of the 1993/94 Premier Grade premiership team. Craig also represented Australia in the U19 cricket tour to New Zealand in 1987.

We knew we were getting a brilliant cricketer.

Craig was a fast left arm bowler, could also bowl spin, and was a punishing middle order batsman. He played the game with minimal fuss and a carefree attitude, perhaps a result of growing up in Quambatook, country Victoria. That is of course until he came up against the elite in Chandler when he always found that bit extra - he was rarely beaten and inevitably always won the game in Wonga's favour.

As captain of our 1st eleven he lead with actions, not words. As coach of our Club he did the same - even filling in for the fourths one game with his broken arm in plaster. We knew we had a great cricketer, we didn't realise we were also getting a terrific clubman and mate. He'd be the first to arrive at a working bee, and the last to leave a social function. Craig loved the Club and the Club loved Macca.

Craig was tragically killed in a car accident in Wonga Park early Sunday morning on April 6th, 1997 leaving behind his wife Lisa and three young girls Brittany, Samantha and Nikuela. He was only 29. While we were devastated at the time to lose such a great friend and clubman - we move on, but we'll always remember.

We have named our prestigious Coaches Award in his honour.

Some of Craig's personal cricketing achievements during his time at WPCC from 1994 to 1997:

- ❖ Winner of the RDCA "Bill Daan Medal" 1995-1996,
- ❖ Member of the RDCA "All Star Team": 1995/96 and 1996/97
- ❖ Member of WPCC "Dream Team" 1996/97
- ❖ Winner WPCC Chandler 1 bowling average (Fred Kneen Award) 1995/96 and 1996/97
- ❖ Winner WPCC Chandler 1 batting average (Burch Family Award) 1996/97

Laurie Flynn Memorial Trophy

The Laurie Flynn Memorial Trophy

Laurie Flynn was a member of the Wonga Park Cricket Club until he moved to North Ringwood when he was brought to the Parkwood Cricket Club by Andrew Tonkin.

Laurie whilst not a stylish player was determined and prepared to put himself on the line when opening the batting for the 1st XI. Having played most of the 1995/96 season in the 1st XI he was made 12th man for the semi-final against Ferntree Gully. There was no moaning from Laurie, he just turned up with his whites to help the team any way he could.

It was after the 1995/96 season that Laurie became ill and after treatment he was well enough to play in the 5th XI after Christmas the following season. It was during this time that Laurie made his only 2 centuries - 107 vs Croydon North and 106no vs Kilsyth.

Laurie always had a smile on his face and a joke to tell, the last time he visited Parkwood for a beer was late in November 1997, just a couple of weeks before his premature death.

In recognition of his involvement with both the Wonga Park and Parkwood Cricket Clubs, the Laurie Flynn Memorial Trophy has been provided by both clubs to be held by the winner of the Parkwood (now Warranwood) versus Wonga Park 1st XI games.

(Penned by John Jacob of Parkwood CC and taken from the 1997/98 RDCA Annual Report)

Laurie Flynn started playing senior cricket at Wonga from 1977-78, was a member of the 1st XI, was Treasurer for 3 years and just a terrific bloke and clubman. He was another recruit from Yarra Valley Grammar school and very quickly made a lot of mates. Flynn always had a smile on his face and a joke to tell. As reported in the RDCA Annual Report "Laurie, while not a stylish player was determined and prepared to put himself on the line." Flynn left Wonga and eventually joined Andy Tonkin at Parkwood who had left Wonga some years earlier.

It was after the 1995-96 season that Laurie became ill and after treatment he was well enough to play in the Parkwood 5th XI after Christmas 1996 and made two centuries. Flynn passed away in December 1997. In recognition of his involvement with both Wonga Park and Parkwood Cricket Clubs, the Laurie Flynn Memorial Trophy was played for between the 1st XI teams of both clubs.

John Knee Club Champion – 1st XI

John Knee Club Champion

The Knees have made a massive contribution to our great club and John played a major part. John arrived at Wonga Park in 1943 as a 13 year old boy and has rarely been away from the club since. John played in our premierships in 1950-51 and 1956-57 and went on to play in our first Chandler Shield premiership team in 1974-75. He continued to play until retiring in 1984. John was one of our greatest batsmen and a very good bowler. He played over 300 games for the Club and, with his son Jack became the first two Wonga players to achieve this amazing milestone.

During his time John:

- Scored over 5000 runs and won the batting average on six occasions
- Took over 300 wickets and won the bowling average on two occasions

In recognition of his contribution to cricket at Wonga, the John Knee Club Champion Award was established in 1970-71 which is now awarded to our best performed 1st XI cricketer each year. During our Centenary Ball in February 2011, John was announced one of the 10 inaugural inductees into the WPCC Hall of Fame (awarded to our best performed 1st XI cricketers).

John's exceptional on field efforts were matched by his massive contribution to the Club off field. Just one example is that he would often mow the ground during practice on Thursday evenings during the 60s. John's off field contribution was acknowledged in 1974 when he was awarded Life Membership of WPCC – our ultimate award.

Since retiring from the game John would be the dedicated dad watching Jack and Rod every Saturday, and even in the last couple of years with his health failing, John would still go and watch his boys playing in Goldy's Vets team.

Batting Average – Keith Burch Memorial Trophy

Keith Burch Memorial Trophy – 1st XI Batting

Keith 'Skinny' Burch first started playing at Wonga in the late 40's/early 50's. He was born in Wonga Park and his father, Ted, and uncle, Horrie were founding members of the club. Like his dad, Keith and his twin brother Doug were both fast bowlers, opening the bowling for the 1st XI for many years.

Statistics from Keith's playing time are sparse, however, those that we have show he played 59 games, taking 83 wickets and 5 wickets or more on 4 occasions with a best of 5/31. He was a member of both the 1950/51 and 1956/57 premiership teams and won the 2nd XI bowling average in his last season.

Keith was a tireless worker for the club, performing the role of secretary for 11 years from 50/51 to 60/61 during which 5 of those years he also performed the role of Treasurer. He enjoyed the social gatherings and his house was always open for the many progressive dinners that were held during those times. It was Keith that built the pavilion on the top ground.

On the 9th May 1972 Keith and Elsie Burch and their three children: Trevor, Craig and Anne-Marie along with nephew Wayne Kear, were killed in an accident on the Warburton Highway. This tragedy affected the whole local community, and was particularly significant for the cricket club, as Keith and Elsie were so closely linked to the club. Many club members were closely related to the family, or had grown up with them.

This trophy was donated by Keith's sister, Marg Knee, in 1977/78. It is ironic that it is the Batting award that is named in his honour as he and Doug were permanent occupants of the No. 10 and No. 11 batting positions. Although, Keith did put on 136 with brother Dave for the last wicket to win a game against Croydon North.

Keith's memory lives on through this trophy, the local kindergarten established in memory of the family, and a drinking tap built at the side of the pavilion that Keith had built. He and his family will never be forgotten.

Bowling Average – Fred Knee Family Trophy

Fred Knee Family Trophy – 1st XI Bowling

Fred Knee, a Life Member of the Wonga Park Cricket Club and an absolute legend of the Club, a better, more genuine bloke you will never meet. Fred was 90 when he passed away and had been suffering ill health for some years now. His eldest son Les ("Legend") Knee (Life Member) very sadly passed away in 1999.

Freddie was a handy cricketer but his biggest contribution to the Club was his enormous contribution to the Club off the field for a long time. Fred started playing cricket when he was 14 when we had just two senior teams. The top ground was much smaller than it is now and as Fred described some years ago "it was pretty much gravel". He only played for one year and was then in the navy for a few years. He started playing again when he was 21 and played his last game when he was 56 (in ~1982). Fred played in our 1950-51 premiership team. He married the wonderful Hilda (Life Member) in 1946. Fred was President of the Club for 16 years, beginning in 1964 and finishing in 1984 (Herb Read was President for a few years in between). In that time Freddie oversaw some key moments in our history including: the agreement with Lilydale Shire Council to construct a second ground at Wonga, now the main ground. Having an adjacent ground was critical to our development as a cricket club, and the club as we know it today in the 1950s the guys began to take beer to the cricket for after game celebrations for the first time but people then wanted a BBQ to go with it. So in about 1965 Fred and Hilda invited everyone back to their house in Dudley Road to have more formal social evening after cricket. And so our wonderful tradition began of Saturday nights 'back at Wonga'. A beer barrel was ordered, Fred would fire up his BBQ and the days cricketing stories would begin. Fred and Hilda hosted Saturday nights for approximately 15 years – this is Wonga folk lore.

Our long history of people getting together to socialize is absolutely the fabric of our great Club, and Fred and his wife Hilda played a huge part in this. We cannot thank them enough. Our 1st XI Bowling Award was named in Fred's honour back in 1971/72. After Freddie stopped playing cricket, and moved away from his official duties he became involved in bowls, and of course threw himself into that. But while his health permitted he was never far from the cricket club, attending functions with Hilda when he could. For those of us who knew Fred we have many wonderful memories. For those that didn't know Fred, take a moment to look around the Club and understand that Fred Knee had a massive part in what you see.

The 1st XI Bowling Trophy was named in Fred's honour and donated by Marg Knee in 1972/73.
